

Stabilize It!™

Embroidery stabilizer in perfectly pre-cut sheets

- **Save time:** no more cutting so you can spend more time embroidering!
- **Less waste:** never cut your stabilizer too small or too big again!
- No waste because of curled stabilizer near the end of the roll
- **Full and generous margins for hooping**
- **Two sizes available**, specifically designed to perfectly fit the most popular hoop sizes:
 - Small sheets are 7-1/2" x 9" and fit 4" x 4" hoops
 - Large sheets are 9" x 12-1/2" and fit 5" x 7" hoops

Smart Sheets™ Dispensing System

- **More convenient than a roll**, you just pull & go!
- **Never run out during a project** – you can easily see how many sheets you have left in the box. No more guessing how much is still on the roll!
- **Easy to stack and store**, keeping your sewing room organized
- **Each box holds 50 sheets** of stabilizer, not too much and not too little

Color-coded packaging

- Based on how the stabilizer is removed, making it easy to find just what you need:
 - **Cut-Away (Purple)**
 - **Tear-Away (Green)**
 - **Wash-Away (Blue)**

Instructions on the package

- Each Stabilize It! product has the **recommended usage and instructions right on the box**, so it's always there right when you need it

Eight top-selling stabilizer types

- A **Stabilize It!** product is available to meet just about every embroidery project need
